

Applying the Lions Motto "We Serve"
at
St. Joseph's School for the Blind

May 28, 2010

On May 28th, Forty Four Leos from the Hills and Valley HS's , with Advisor Lion Al Ruffini , Pres. Lion Hank Wilczewski, Lion Jim Sandford, and Hills HS teacher Sue Price traveled to St. Joseph's School for the Blind in Jersey City.

Upon arriving to the Concordia Learning Center at St Joseph's School the Leos escorted the St. Joseph's students to the 3rd Annual Walk-A-Thon at the local City Park. At the park the students walked or were assisted by school workers and Leos in wheelchairs around the park pathways.

Some of the Leos were stationed at nearby traffic light intersections to ask auto drivers for donations to the School for the Blind. Be it known that the Leos collected \$275 at the intersections.

Afterward, our Leos cooked and served the students at St Joseph's School hamburgers, hotdogs, salad, and soft drinks for lunch.

At 1:15 pm the Leos and their chaperones returned by bus to their respective high schools with satisfaction in knowing that the Lions Motto, "We Serve ", had been accomplished this day!
